

Transferring to Belmont in Fall 2019?

HERE ARE THE STEPS YOU NEED TO TAKE!

WHAT DO I DO?

WHEN DO I DO THIS?

QUESTIONS? ASK:

1 Submit an Application

The application requires a 250–650 word essay and a \$50 **non-refundable, non-waivable** application fee. You may apply online using the Belmont application or the Common Application. The application for the Fall Term is available August 1, 2018. Make sure to apply for the correct term. You **cannot switch your application term** and Belmont **does not defer admission**. The application deadline is July 1, 2019.

Counselor**

2 Submit Required Supplements

If you have 24 or more college credits at the time of application, submit official college transcripts from **EVERY** college/university you have attended. If you have less than 24 hours of college credits at the time of application, submit official college transcripts from **EVERY** college/university you have attended, official high school transcripts and SAT/ACT scores. SAT/ACT scores are required for ALL nursing applicants. College credit hours do not include AP, IB, remedial or military credits.

**August 1, 2018–
July 1, 2019**

6 Receive a Financial Aid Package

Financial Aid Packages are only sent to students who have been admitted and filed their FAFSA with Belmont. Belmont will begin sending packages by mail to students who have been admitted and filed their FAFSA in early 2019. Students admitted after this time will receive packages by mail on a rolling basis 4–6 weeks after receiving their acceptance letter once their FAFSA has been filed.

WHAT DO I DO?**WHEN DO I DO THIS?****QUESTIONS? ASK:****7 Pay Your \$250 Enrollment Deposit**

Your \$250 deposit is **not refundable, waivable or transferable**—It confirms that you plan to enroll at Belmont. To pay your deposit, go to belmont.edu/paymydeposit and click on the e-deposits tab. Your username is your BUID (found on your acceptance letter). Your password is the last 6 digits of your BUID.

8 Create Your MyBelmont Account

Go to my.belmont.edu, select "first time user" and follow the steps to create your account, using your BUID (found in your acceptance letter), as well as your birth date and the last four digits of your Social Security Number (or four zeros if Belmont does not currently have your SSN on file). This account contains your Belmont email address. Check it regularly for important communication. It is normal for you to have an advisor hold on your account and this will be removed after you attend orientation.

9 Apply for Housing

You will receive an email to your MyBelmont account about a week after you have paid your deposit and created your account. This email will contain instructions for how to apply for on campus housing. Housing on campus is **awarded first come, first served**. The earlier you apply for housing the more likely it is that you will be able to live on campus.

10 Register for Summer Orientation, Advisement and Registration

You will be advised and register for classes during transfer orientation in June (before freshmen). Sign up through your MyBelmont account. It is **STRONGLY** recommended that you attend June orientation where you will be advised and register. If you are unable to attend, another orientation will be held in August a few days before classes start.

What About My Credits?

If admitted to Belmont, you will receive a Preliminary Transfer Report (PTR) in the mail with your acceptance letter. This initial non-binding estimate will show you how we anticipate that your credits will transfer into our Bellcore (general education core). Due to factors such as placement test results and course sequencing and availability, the Office of Admissions is unable to provide students with an estimated graduation date.

After paying your deposit via your MyBelmont account, you will be able to view (several weeks before Orientation), a DegreeWorks audit via MyBelmont. This audit (performed by the Registrar) is an **official** evaluation of your transfer work as it applies to your degree progress. For courses to transfer to Belmont, they must be from a nationally accredited college/university, must not be remedial and the student must have earned a grade of "C" or better. Students should avoid taking upper-level, major specific classes before attending Belmont.

Due to the volume of inquiries, we are unable to review transcripts for potential credit transfer until a student has applied and been admitted to Belmont. Transfer counselors can provide students with a list of suggested general education transfer classes for their major that the student can use to select classes from another school.
