

2017 Belmont University Research Symposium

Audio Engineering

Moderator: Doyuen Ko, Ph.D.

April 20, 2017, 3:30-5 p.m.

JAAC 5005

3:00 p.m. – 5:30 p.m.

Acoustic and electro-acoustic measurement and design

Austin B. Arnold, Justin A. Bennington, Owen Z. Bolig, Christopher J., Hickman, Morgan A. Matyjevich, Paul G. Mayo, Tyler B. Stewart

Faculty Advisor: Doyuen Ko, Ph.D.

This session will present three advanced studies of sound production and transmission, electro-acoustic measurement techniques, and architectural acoustics. Findings will include studios, concert halls, and campus spaces, virtual acoustics, as well as musical and electronic instruments.
