HOPE Scholarship rules allow for students to raise their HOPE Lottery Scholarship GPA by repeating a class and having the original grade excluded from their HOPE Lottery Scholarship GPA **one (1)** time. Before the original grade can be excluded from your GPA, you must complete this form and return it to the Office of the Registrar, Freeman Hall; or you may mail to the address at the top of this form.

Please list the course you would like to use your one repeated class grade replacement for:
(Student must complete course information.)

Please initial to indicate your understanding of the following statements:

____ This serves as my official request to use my "one-time repeat" option. Once submitted, I will no longer be able to make changes to or withdraw my request.

____ This will in no way affect my Belmont University GPA.

____ I may repeat as many courses as I deem necessary, however, this is the ONE and ONLY time the lower grade will be excluded from my HOPE Lottery Scholarship GPA.

____ Using my "one-time repeat" option does NOT guarantee that my HOPE Lottery Scholarship GPA will meet the minimum renewal requirements (based on hours attempted) once the lower grade is excluded.
