Patton Hall and Bear House opened its doors in August 2010. Patton Hall is named in honor of longtime trustee Carolyn Patton, and Bear House reflects the site of a bear house that was located on Adelicia Acklen’s original property. The buildings are adjoined by a central lobby. It accommodates both male and female students. The main entrance and each floor is card access. Rooms may be either double or triple occupancy.

**Staff**
Patton Hall & Bear House residents are supported by eleven Resident Assistants. There is one RA per wing with the exception of the sixth floor. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities within the complex through programming and community building efforts.

The RAs are supervised by one full-time, live-in professional staff member, known as the Residence Director. The RD is trained in crisis management, acts as a resource to the residents of the complex, and oversees the administrative aspects of the building such as maintenance and discipline. The RD maintains regular hours in their office located off the Main Lobby. The RD also lives in an apartment located on the ground floor of the building.
