If a parent is due a PLUS loan refund balance, we will mail a Parent PLUS loan refund check to the address the parent borrower listed on the PLUS loan credit application.

By completing this form, you (the parent borrower) are authorizing Belmont University to change the address on your Parent PLUS loan refund check. **Please note, this only changes the address for a Parent PLUS loan refund check.** This form will not change the mailing address for your student, and it won't update your address with the Department of Education for loan servicing information. You can update your FSA User ID information at <https://fsaid.ed.gov/npas/index.htm>, and you should also contact your loan servicer to update your contact information. Your student can update personal information through his/her MyBelmont account. This form can only be completed by the borrower of the Parent PLUS loan.
