Please be aware that we must have a 2018-2019 Free Application for Federal Student Aid (FAFSA) on file in conjunction with this application. There are maximums undergraduates can borrow in Federal Stafford loans per academic year. If you have borrowed this amount in the fall 2018 and spring 2019 semesters, you will not have any remaining eligibility. By completing this application, we will review your account and determine if you have any remaining eligibility. We will email you at the address you provide on this application notifying you if you have federal loan eligibility. We will request a response before processing further loan money.

*Please note, if you increase your classification after spring 2018 is completed, you may be eligible for additional Stafford funding.*

Satisfactory Academic Progress is calculated at the end of the spring semester, you may not qualify for federal financial aid if you are not making SAP. (Please visit [www.belmont.edu/sfs](http://www.belmont.edu/sfs) and click on Financial Aid Information for further information on SAP).

Please note: Most institutional scholarships and grants cannot be used during the summer term. Academic Merit scholarships cannot be used during the summer term. We will assess your eligibility for the PELL grant and the HOPE scholarship (for Tennessee residents) as we process your summer financial aid application.
