Please be aware that we must have a 2018-2019 Free Application for Federal Student Aid (FAFSA) on file in conjunction with this application. Pharmacy graduate students can borrow up to \$33,000 in Federal Stafford loans per academic year. If you have borrowed this amount in the fall 2018 and spring 2019 semesters, you will not have any remaining eligibility. If you have remaining eligibility, we will email you at the address you provide on this application. We will request a response from you before processing further loan money.

Satisfactory Academic Progress is calculated at the end of the spring semester, you may not qualify for federal financial aid if you are not making SAP. (Please visit [www.belmont.edu/sfs](http://www.belmont.edu/sfs) and click on Financial Aid Information for further information on SAP).
