__________________________________________________________________________________________________

Expected format and frequency of communication between faculty/instructor and agency:

__________________________________________________________________________________________________

How the agency will address students who fail to meet agency expectations:

__________________________________________________________________________________________________

Joint Responsibilities

The Community Partner will be responsible for damages caused by the negligence of its directors, officers, agents, employees and volunteers occurring in the performance of the activities described by this MOU. Belmont will be responsible for damages caused by the negligence of its directors, officers, agents, employees and volunteers occurring in the performance of the activities described by this MOU.

The Community Partner shall maintain in force during the term of this Agreement general liability insurance, insuring itself and its agents and employees for their acts, failures to act or negligence with minimum coverage limits of $500,000. If requested, Community Partner will supply a certificate of insurance. Community Partner agrees to keep Belmont University advised of any changes in this policy.

Students will at no time throughout the Community-Based Project be considered officers, employees, or agents of Belmont.

Neither party will unlawfully discriminate against any student on the basis of race, color, national origin, religion, sex, age, disability or military service.

Community Partner will maintain a reasonably safe environment by observing all applicable safety regulations under the Occupational Safety and Health Act.

Both parties will comply with the Family Educational Rights and Privacy Act by keeping confidential all records concerning students’ service experience.
Minor Changes in the above instructor and community partner responsibilities may be made upon agreement by both parties.
