Instructions to Access Pre-Orientation Homework

Pre-Orientation Homework launches in mid to late May
Please note:

Pre-Orienta*on, Homework launches in mid to late May. Students will receive an email with instructions to access the course once it has launched.
• Go to www.belmont.edu
• Click on the “Current Students” link
• Enter your Username & Password
  – If you have not created your MyBelmont account yet click “First Time users” below the login button
• Click “Login”
• On your MyBelmont homepage click the “Blackboard” button under the LaunchPad folder

• A new/second screen will open
• Click on the course titled: 
  14397.201610: ORI-0000-1: Student Orientation
• This Online Course is your Pre-Orientation Homework
You’ve now accessed the Pre-Orientation Homework.

If at any time you need to navigate back to the homepage just use the left navigation bar → Click “Do your Pre-Orientation Homework.”
- Just scroll down the page for all the lessons.

There are 10 lessons with corresponding tests.
- You must receive 100% on each test before the next lesson will open.

The last step is the **Academic Colleges** section that contains specific information from the academic college that houses your major. Make sure to watch the video and read all information so that you can prepare for your academic planning.
