## Commencement

FRIDAY, MAY 8

SATURDAY, MAY 9

TWO THOUSAND AND TWENTY SIX

## *Greetings from Greg and Susan Jones*

When we arrived at Belmont in 2021, we immediately felt a sense of hope on campus that we hadn't found elsewhere. That hope is embodied in classrooms and studios, on stages and playing fields, in chapel services and conversations over coffee.

Today, we see it embodied in you.

**To our graduates...** Over these years, you have given yourselves to the work of learning and formation, shaping this campus as surely as it has shaped you. Through your scholarship, art, leadership and friendships, you have filled this place with life. We are grateful for the mark you have left here and for the ways you will continue to shape the Belmont community as alumni.

**To our faculty and staff...** You have walked with students faithfully and attentively, forming their minds and hearts according to your own abilities and callings. In sharing your gifts, you have also shared your lives, offering a vision of wisdom, purpose and vibrant community. Thank you for your daily work that makes Belmont so special.

**To friends...** The friendships forged during these years have been marked by the joys and sorrows of shared life, honest questions and a common search for purpose. Thank you for the ways you have carried one another to this day and for the ways you will continue to sustain and care for each other in the years ahead.

**To families...** Behind these graduates stands a love that began long before move-in day. Parents and grandparents, husbands and wives, brothers and sisters, aunts and uncles — your encouragement and sacrifice have made this milestone possible. Thank you for entrusting your loved ones to this community and for partnering with us in their growth and formation.

With gratitude, we celebrate all that has brought us to this moment and with hope, we anticipate a future filled with abundantly far more than all that we could ask or imagine.

Congratulations to the Class of 2026 and to all who love them!

Gratefully,

Greg Jones, President, and Susan Pendleton Jones, Senior Fellow for Christ-Centered Visioning

# Academic Regalia

The academic regalia worn at Belmont University commencement and other formal academic ceremonies began as the dress of scholars and students in the universities of the Middle Ages. One of the most distinctive features of this dress is the hood, which signifies both the degree awarded and the institution. The lining of the hood displays the color of the institution that granted the degree, such as blue and red for Belmont University, while the border indicates the discipline. A partial list of colors of the borders with their respective disciplines is as follows:

Light Brown.....	Business
Light Blue.....	Education
Brown.....	Fine Arts
White.....	Humanities/Arts
Purple.....	Law
Green.....	Medicine
Pink.....	Music
Apricot.....	Nursing
Slate Blue.....	Occupational Therapy
Olive Green.....	Pharmacy
Dark Blue.....	Philosophy
Teal.....	Physical Therapy
Golden Yellow.....	Science
Citron Yellow.....	Social Work
Sage Green.....	Sport Administration

**The Basin and Cloth** — A large wooden basin and cloth, handcrafted by Watkins College of Art faculty member Doug Regen, symbolizes the gesture of Jesus washing his disciples’ feet and represents Belmont’s commitment to service and humility. The various layers of wood species also reflect the diversity of the Belmont community. The Basin and Cloth are carried by the Virginia M. Chaney Distinguished Professor, an honor awarded each year to a faculty member who is selected as an outstanding teacher. The 2025-2026 recipient is Mr. Anthony Monica.

**Presidential Banner** — The Presidential Banner was commissioned for the inauguration of Belmont’s fourth President, Dr. Robert C. Fisher. This banner is carried in front of university processions by the faculty member who has received the Presidential Faculty Achievement Award recognizing outstanding contributions to student life outside the classroom. The 2025-2026 recipient is Dr. Angela Hagan.

# Honorary Degrees

Honorary degrees (*honoris causa*) are given in recognition of merited humanitarian service and investment, as well as scholarly and creative attainments. Harvard University awarded the first honorary degree in 1692, and American institutions of higher education have selectively presented them since.

Belmont University has honored meritorius individuals through honorary degrees and, from 1978 to 1999, through *Collegiatus*. Collegiatus recipients are individuals whose support of Christian higher education has been of special relevance and significant continuity in the life of the University. Once the University began offering doctoral degrees as a part of its graduate educational program, the Board of Trustees approved the selective awarding of honorary degrees to replace recognition into Collegiatus. Previous inductees into Collegiatus are now recognized as honorary doctorate recipients. Honorary degree recipients of the university are:

# The Peace Prayer

often attributed to  
St. Francis of Assisi

**Lord, make me an instrument of your peace:**

**where there is hatred, let me sow love;**

**where there is injury, pardon;**

**where there is doubt, faith;**

**where there is despair, hope;**

**where there is darkness, light;**

**where there is sadness, joy.**

**Grant that I may not so much seek**

**to be consoled as to console,**

**to be understood as to understand,**

**to be loved as to love.**

**For it is in giving that we receive,**

**it is in pardoning that we are pardoned,**

**and it is in dying that we are born to eternal life.**
