List of Programs

On this page, review the list of teacher preparation programs offered by your institution of higher education (IHE) or organization. If you submitted an IPRC last year, this list of programs is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to enter the programs in the appropriate reports. For the traditional report, list all traditional programs within the IHE. For the alternative report, list all alternative programs within the IHE. You may edit, delete, and insert new rows as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page. The system will automatically total the number of programs for you.

Program Information

List each teacher preparation program included in your traditional route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at **https://www2.ed.gov/programs/tqpartnership/awards.html**.

Program Requirements

On this page, review and enter information about the program requirements for admission into the program, program completion, and supervised clinical experience. If you submitted an IPRC last year, much of this page is pre-loaded from your prior year's report. If your IHE offers both traditional and alternative programs, be sure to specify the requirements in the appropriate reports. For the traditional report, provide the requirements for traditional programs within the IHE. For the alternative report, provide the requirements for the alternative programs within the IHE.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Admissions

1. Indicate when students are formally admitted into your initial teacher certification program:

Freshman year	▼

If Other, please specify:

2. Does your initial teacher certification program conditionally admit students?

- ● Yes
- ○ No

3. Provide a link to your website where additional information about admissions requirements can be found:

http://www.belmont.edu/graded/admission/index.html

4. Please provide any additional information about or exceptions to the admissions information provided above:

We conditionally admit Graduate students if their undergrad GPA is below 3.00 and they are otherwise a good candidate based on their interview, GRE/MAT scores and praxis scores. They must maintain a 3.0 GPA throughout the program.

Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. (§205(a)(1)(C)(i))

1. Are there initial teacher certification programs at the undergraduate level?

- ● Yes
- ○ No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the undergraduate level. If no, leave the rest of the page blank (or clear responses already entered) then click save at the bottom of the page.

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2017-18. (§205(a)(1)(C)(iii), §205(a)(1)(C)(iv))

Additional guidance on reporting supervised clinical experience and nonclinical coursework.

Average number of clock hours of supervised clinical experience required prior to student teaching	160
Average number of clock hours required for student teaching	640
Average number of clock hours required for mentoring/induction support	150
Number of full-time equivalent faculty supervising clinical experience during this academic year	4
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	7
Number of students in supervised clinical experience during this academic year	52

Please provide any additional information about or descriptions of the supervised clinical experiences:

Enrollment

On this page, enter the number of candidates for an initial teaching credential who are enrolled in the initial teacher preparation programs within your institution of higher education (IHE) or organization. **Do not** report on the total number of students enrolled in the entire IHE. **Do not** include individuals who currently hold a teaching credential and are seeking additional licenses or endorsements, or individuals preparing for school-based careers other than classroom teachers (e.g., administrators, guidance counselors).

The Department recognizes that in many cases, candidates voluntarily report their race/ethnicity and gender data, and that in some cases, candidates may choose not to report this information. Please report on the race/ethnicity data you have available, though the data may not be complete. It is not expected that the sum of the enrolled students reported by race/ethnicity or by gender will necessarily equal the total number of students enrolled.

If your IHE offers both traditional and alternative programs, be sure to enter the candidates enrolled in the appropriate reports. For the traditional report, provide only the candidates enrolled in traditional programs within the IHE. For the alternative report, provide only the candidates enrolled in the alternative programs within the IHE.

After entering the enrollment data, save the page using the floating save box at the bottom of the page.

Enrollment

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

Additional guidance on reporting race and ethnicity data.

Total number of students enrolled in 2017-18	213
Unduplicated number of males enrolled in 2017-18	34
Unduplicated number of females enrolled in 2017-18	179

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled. **(§205(a)(1)(C)(ii)(H))**

2017-18	Number Enrolled
Ethnicity	
Hispanic/Latino of any race	14
Race	

2017-18	Number Enrolled
American Indian or Alaska Native	0
Asian	2
Black or African American	13
Native Hawaiian or Other Pacific Islander	0
White	174
Two or more races	10

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2017-18. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. **(§205(b)(1)(H))**

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

Program Completers

On this page, enter the total number of individuals who completed the program in AY 2017-18 and the two prior academic years. If you submitted an IPRC last year, the number of program completers for the two prior academic years are pre-loaded from your prior year's report.

A program completer is a person who has met all the requirements of a state-approved teacher preparation program. Program completers include all those who are documented as having met such requirements. Documentation may take the form of a degree, institutional certificate, program credential, transcript or other written proof of having met the program's requirements. In applying this definition, the fact that an individual has or has not been recommended to the state for initial certification or licensure may not be used as a criterion for determining who is a program completer.

An individual cannot be classified as both enrolled and as a program completer at the same time. An enrolled individual is not a program completer. Once an individual has met all the requirements of a state-approved teacher preparation program and becomes a program completer, the individual is no longer classified as enrolled.

After entering the program completers, save the page using the floating save box at the bottom of the page.

Annual Goals

On this page, review the annual goals in each subject area listed below. If you submitted an IPRC last year, the goals you entered last year are pre-loaded from your prior year's report. Please respond to the questions to report on progress towards the goals, and set new goals for the next academic year.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. **(§205(a)(1)(A)(ii), §206(a))**

Information about teacher shortage areas can be found at **https://www2.ed.gov/about/offices/list/ope/pol/tsa.html**.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2017-18

1. Did your program prepare teachers in mathematics in 2017-18?

- ● Yes
- ○ No (leave remaining questions for year blank)

2. How many prospective teachers did your program plan to add in mathematics in 2017-18?

> 3

3. Did your program meet the goal for prospective teachers set in mathematics in 2017-18?

- ● Yes
- ○ No
- ○ Not applicable

4. Description of strategies used to achieve goal, if applicable:

We exceeded our goal and prepared four teachers in mathematics for 2017-18. We actively recruited math candidates into the Master of Arts in Teaching (graduate) program.

Assurances

Please certify that your institution is in compliance with the following assurances. **(§205(a)(1)(A)(iii), §206(b))** Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

1. Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

● Yes

○ No

2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

● Yes

○ No

3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

○ Yes

○ No

● Program does not prepare special education teachers

4. Prospective general education teachers are prepared to provide instruction to students with disabilities.

● Yes

○ No

5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.

- ● Yes
- ○ No

6. Prospective general education teachers are prepared to provide instruction to students from low-income families.

- ● Yes
- ○ No

7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

- ● Yes
- ○ No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

The faculty collaboratively identified the spiraling of diversity proficiencies as introduced, reinforced, applied, and measured across all curriculum and field experiences. Although EDU 3800/5800 is a class that specifically targets diversity, it is addressed in every course, which is documented in course syllabi via InTASC standards. The EPP has a reference document that maps the specific diversity curricular components and experiences that are spiraled within our Professional Core classes as a central guide for all stake holders. We have expanded this table to include methods courses and clinical experiences (same as 2015 Report). We have a partnership agreement with the largest local school district to provide them with diverse teachers and high need licensed area teachers to meet the needs of their student body population.

Low-Performing

On this page, review the questions regarding your program's approval/accreditation and whether your program has been designated as low performing by the state. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program. (§205(a)(1)(D), §205(a)(1)(E))

1. Is your teacher preparation program currently approved or accredited?

- ⦿ Yes
- ◯ No

If yes, please specify the organization(s) that approved or accredited your program:

- ☑ State
- ☑ NCATE
- ☐ TEAC
- ☐ CAEP
- ☐ Other specify:

2. Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

- ◯ Yes
- ⦿ No

Use of Technology

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Use of Technology

1. **Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(F))**

    Does your program prepare teachers to:

    a. **integrate technology effectively into curricula and instruction**

    ● Yes
    ○ No

    b. **use technology effectively to collect data to improve teaching and learning**

    ● Yes
    ○ No

    c. **use technology effectively to manage data to improve teaching and learning**

    ● Yes
    ○ No

    d. **use technology effectively to analyze data to improve teaching and learning**

    ● Yes
    ○ No

2. **Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.**

    Technology is infused in all of the education courses. In the fall semester, our candidates attended an annual conference on assistive technology at the TN Access Center. Candidates complete IRIS modules related to UDL in the Diverse Learners course and UDL is taught and infused in most licensure courses. Students use Excel to graph data in their Data-bases Decision Making Projects which is required of all candidates as part of their Gateway 4. They also use easyCBM and AIMSweb. In addition, EDU 2100/5010 candidates are required to prepare a multimedia press kit on an advocacy issue. This ensures the measure of technology skills in production and presentation with their very first course in the program. Furthermore, almost all EDU courses are taught with BlackBoard as the CMS and so candidates get the skills in online access through this means.

Teacher Training

On this page, review the questions about how your program trains general education teachers and special education teachers. For the purposes of these questions, general education teachers means those who are not specifically prepared as special education teachers. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(G))

1. Does your program prepare general education teachers to:

   a. teach students with disabilities effectively

   - ● Yes
   - ○ No

   b. participate as a member of individualized education program teams

   - ● Yes
   - ○ No

   c. teach students who are limited English proficient effectively

   - ○ No

2. Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the Individuals with Disabilities Education Act, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

   All teacher candidates complete coursework on teaching diverse learners, including students with disabilities and students who are limited English proficiency. The coursework involves content on processes, roles, and responsibilities of participating in IEP meetings as defined under IDEA and specific teaching strategies for ESL students. Additionally, teacher candidates participate in school-based practica experiences where they gain additional training about participating in the IEP process and teaching ESL students. Finally, as part of internship and student teaching, teacher candidates have one placement in a diverse setting and participate in the IEP process as indicated. Further, all candidates must pass Gateway 2, an oral defense of their analysis of a case study, midway through the program. One specific question on this assessment has candidates analyze the potential barrier(s) to learning and the UDL strategies to overcome the barriers. In Gateway 3 candidates are expected to address how they would differentiate learning in their content and simultaneously analyze alternative modes of assessment and also discuss RTI strategies.

3. Does your program prepare special education teachers to:

   a. teach students with disabilities effectively

   - ○ Yes
   - ○ No

● **Program does not prepare special education teachers**

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Belmont University Department of Education Mission We embrace the Mission of Belmont University that "empowers men and women to transform the world" as educators and leaders of organizations who champion equity, opportunity, and dignity for all. Vision The Department of Education prepares professionals of diverse backgrounds to develop and gain the knowledge, skills, and character necessary to become exemplary educators and leaders who advocate for children, families, and communities. Beliefs We believe that exemplary educators and leaders advocate for learning by: • Recognizing and honoring the worth and dignity of each individual • Knowing that learning is dependent upon the social and emotional development of the individual • Understanding the impact of generational poverty on children and families and the necessity of building community and engagement to develop support systems with them. • Effectively collaborating with educators, scholars, families and community members to facilitate learning. • Designing and employing flexible learning environments and knowing how to differentiate to meet different learning and language needs of individuals. • Embracing cultural, ethnic, socioeconomic, gender and religious differences by stimulating dialogue and providing a safe haven for learning. • Seeking to invest in the communities in which they work and reside in order to use their knowledge and skills toward the flourishing of the communities. • Informing, shaping, and reflecting on their practices using research, scholarship and measures of progress. • Recognizing unconscious biases in themselves and in structures, and seeking to collaborate with others to provide equity, opportunity and dignity for all. The Belmont Department of Education: • Provides unique, student-centered opportunities and experiences to meet individual needs. • Ensures mastery and a passion for teaching and scholarship.
